

December 2, 2011

Dear Alumni, Parents and Friends,

Did you know?

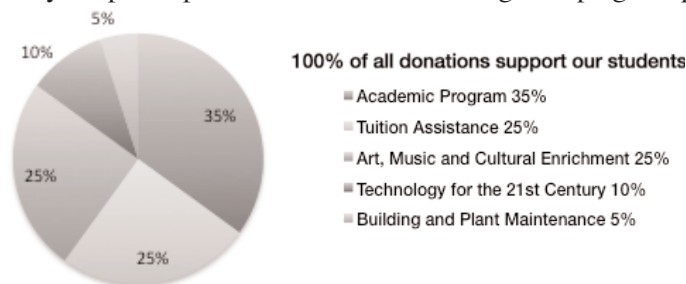

Your participation in the St. Mary Interparochial School Annual Giving Campaign enables us to achieve academic and social success for our diverse student body. On behalf of our school community, **thank you** for supporting our mission to prepare **244 children** to be Christ-centered leaders of the 21st century and helping us attain **100% full enrollment** in our school. We invite you to share in our continued success.

How can success be measured?

St. Mary Interparochial has scored highest among schools in our region in standardized testing from first through eighth grades. The Class of 2011 earned over \$274,000 in scholarships to private or Archdiocesan high schools. These awards included two Neumann Scholars, two Millay Scholars and for the fifth consecutive year, the St. Joseph's Preparatory School Ignatian Scholar.

Several students from our Class of 2007 were ranked in the top 10% of their graduating high school class. Two of these graduates are currently attending Villanova University and Drexel University on full academic scholarships. The educational opportunities our students have upon graduating from our school is a true reflection of our outstanding academic program.

Here is how your participation in the Annual Giving Campaign impacts our school's success.

With your support, our students will continue to enjoy a superior Catholic education in the heart of historic Philadelphia. Our Annual Giving goal is to reach **100% participation** throughout our school community, which will allow us to educate tomorrow's leaders morally, academically and socially.

How can you help?
