Our Golden Jubilee year-long celebration was kicked off during Catholic Schools Week in January 2018 to celebrate 50 years in our “modern” day building. Throughout the year we planned and held various events, including our first ever Golden Jubilee Gala, to celebrate this special moment in time for St. Mary.

The past several months at Saint Mary Interparochial School have been brimming with many exciting lessons, special assemblies, remarkable school festivities, and immeasurable learning opportunities. I am constantly in awe of our students, teachers, staff members, and community members who continue to put their best selves forward, and demonstrate a true commitment to Saint Mary’s mission, “Saint Mary Interparochial School challenges our diverse student body, to grow morally, academically, and socially into passionate, confident, Christ-centered leaders of the 21st century.”

The past several months at Saint Mary Interparochial School have been brimming with many exciting lessons, special assemblies, remarkable school festivities, and immeasurable learning opportunities. The celebration of our Golden Jubilee has been tremendously special this past year. Together, we celebrated 50 years of excellence in Catholic education in our current building; a legacy that began in 1782 as the first Catholic parish school in the United States. All of your donations during the Golden Jubilee year, especially at our Golden Jubilee Gala were much appreciated. If we are able to provide our students with an exceptional education with the resources we have, imagine what we can do with an improved physical space.

The Golden Jubilee Mass and Breakfast signified the conclusion of our Golden Jubilee year. Our special guest, Bishop Michael J. Fitzgerald, presided over this beautiful Mass honoring both our anniversary and patron saint, Our Lady of Guadalupe. Following Mass, our 8th grade ambassadors hosted school tours to our honored guests including Bishop Fitzgerald. The Kindergarten provided a presentation of songs in American Sign Language. It was a stunning way to close this year of celebration, and we now look forward to another fifty years!

Over these past several months, our school and students have had many accomplishments. For the 2nd year, our STEAM Debate team won first place, were voted the overall best team, and two students won top speaker awards at the ASAP Debate Tournament. For the 2nd year, our 5th grade students won the gold place prize at the Dancing Classrooms Philly citywide competition. Our girls Volleyball team placed 2nd this season; they battled valiantly in the Region 6 Finals. Our JV Boys Basketball team won the Parillo Memorial Tournament, for our first-ever Parillo crown. Two 8th grade students were recognized as Neumann Scholars. We had a very successful STEAM-focused Harvest Hoedown and Middle School Science Fair. And, we now have two MakerBot 3D printers which students will begin to use to build prosthetic limbs for animals in need, in collaboration with a charity called, Pawsthetics.

With your help and support, we are able to continue to offer a quality Catholic education to families from many parishes and zip codes while remaining a crown jewel in the city of Philadelphia. Thank you for supporting our ideas and initiatives over the past fifty years. It is our sincere hope that you will continue to share your time, talent, and treasure with the children who populate our school today. Sincere thanks to you for your investment in Saint Mary Interparochial School!

Many blessings,

Jayda Pugliese
We would also like to extend special thanks to our generous benefactors in supporting the improvement of our school facilities so that we may continue to challenge our diverse student body to grow morally, academically, and socially into passionate, confident and Christ-centered leaders of the 21st century.

On Thursday, November 29, St. Mary Interparochial School welcomed over 275 friends and supporters to its first-ever gala event in celebration of our Golden Jubilee Year at the beautiful Ballroom at the Ben. Thanks to the generosity of our family and friends, St. Mary Interparochial School was able to raise nearly $100,000 in support of upgrading our school facilities so that we may continue to challenge our diverse student body to grow morally, academically, and socially into passionate, confident and Christ-centered leaders of the 21st century.

Thank you to all who helped make this year’s event a success!

During our Gala, our guests participated in a 10 minute Mobile Giving Challenge, led by Mrs. Maryellen Raday (Parent ’14), Ms. Grace Bridy (’12), and Ms. Betty Montgomery (’08).

Our Mobile Giving donors raised over 300% of our $5,000 goal during this 10-minute challenge!

This amount, paired with our $5,000 anonymous match, raised over $20,000 in support of our school.

Thank you all for your generous donations during our Mobile Giving Challenge!

Golden Partner in Education

A very special thank you to our chair, Mrs. Susan Koger, for leading us through over a year of planning for our Golden Jubilee Gala. Her leadership continues to shine here at St. Mary Interparochial School!
November 29, 2018 was a night of celebration and reflection as the St. Mary’s Community celebrated fifty years in the school’s current location at the Golden Jubilee Gala—a “Celebration of Excellence in Catholic Education from Colonial to Contemporary.” The turn-out and support was overwhelming. Thanks especially to the collaborative efforts of members of the Golden Jubilee Gala Committee, staff and faculty, several members of our Board, members of St. Mary’s community, and the sponsorship of The Daly Group at KW Philly, the Golden Jubilee Gala was a smashing success. St. Mary’s was able to raise nearly $100,000 in support of the improvement of the physical space in which our students learn and our teachers educate.

What struck me most in taking in the atmosphere that memorable evening was the effect that St. Mary’s has had on each and every person attending the gala.

From alumni, to faculty past and present, to parents of students, and from the support and dedication evidenced on the faces of benefactors and supporters of our school, the impact and effect that the school has had on the growth and story of each of these individuals was readily apparent. The night was a chance to honor the storied past of St. Mary’s, as we gave special thanks to the service and legacy of former principal Jeanne Meredith, and to look forward to the exciting future of the school, as exemplified by the vision and enthusiasm of current principal Jayda Pugliese.

Of course, as members of the Board, we are tasked with preserving and serving the mission of St. Mary’s: namely to cultivate Christ-centered lives in the context of a Blue Ribbon education. As a Board, we are excited as we move into the 2019 calendar year, and embrace the challenge of doing everything in our power as a collective Board to support the needs and interests of the students, faculty, administration, parents, and school community at large. To that end, we are proud to welcome Michael Shapson as the newest member of our Board.

Michael is a proud St. Mary’s parent, and has served the school in various capacities in the past, from coaching to serving as a member of the Board’s Finance Committee. Please join me in welcoming Michael to the Board.

We do not need reminders, as a Board, as to how unique and special St. Mary’s is as the crown jewel of Catholic, K-8 education in the City of Philadelphia. The Gala, however, served as much more than a celebration. It also reminded us, as a Board, of the privilege that we have to serve this school. We look forward to the next fifty years!

Best regards,

STORM UPDATE 2018-2019

We have had a tough time with numbers for these spring sports as many children have baseball and softball commitments to other leagues and clubs. If we get sufficient numbers of players, we will field teams.

We have also been approached by commissioners for Softball and Baseball to advise that they will likely field some combined teams from other parishes and schools to afford children a chance to play if their own school or parish does not field a team. As spring approaches, we will update the school community with all pertinent registration information.

ON THE HORIZON

We are exploring fielding a Cross Country team for the fall CYO season. Anyone with interest or experience and a willingness to help, please contact me at storm@saintmarys.us. CYO Cross-country is available K-8 with races at Belmont Plateau on Sundays in the fall. We will need significant coaching and volunteer assistance, without which a program cannot be possible.

Coaching Opportunities

We are always on the lookout for coaches and volunteers to help Athletics. Please check the School website for Clearance and accreditation requirements.

As always, sincerest thanks and appreciation to our Volunteer coaches, our Administration and all of the Saint Mary’s community for supporting our student-athletes.

If you would like to volunteer and participate, please contact the Athletic Department at storm@saintmarys.us.

As always,

LET’S GO STORM!!!

Harry Kane,
Athletic Director
On October 13, we held our 12th Annual Harvest Hoedown: A Celebration of STEAM Education! This event continues to be a community favorite, despite the bumps in the road we faced this year - no tents, no tables, no problem! Due to these unforeseen circumstances, our Hoedown, typically held completely outside along Locust Street, became an outdoor-indoor celebration. Thanks to our fantastic coordinators and parent and alumni volunteers, the Hoedown went off without a hitch! We are so thankful for their dedication to St. Mary Interparochial School.

To celebrate the vibrant STEAM education within our school, our event booklet was posted online and viewed via QR Code to celebrate the use of technology in our school! A STEAM activity table was also created by our STEAM team – Mrs. Cammisa, Mrs. Bridy, and Mrs. Kristin Ricchiuti. Here, our guests experimented with chemical reactions with pumpkin and apple volcanoes and among other fun STEAM activities!

Vendors old and new came out to celebrate this wonderful event and provided delicious food, great entertainment, and tons of fun for all of our guests in attendance. We served delicious food from local restaurants, such as T&N Food Truck, Campo's Cheese-steaks, and Square Pie Pizza, and our bake table was a huge success once again this year - over 30 parents volunteered to bake treats for the school! The Saul 4-H Petting Zoo returned again this year, and continues to be a highlight of the Hoedown. We even had our local firemen stop by to give lucky guests a tour of their firetruck! Thank you, Engine 11, A Platoon for stopping by our Hoedown!

We were so excited to debut another first at our Hoedown - a small, pop-up beer garden in our downstairs food court. This was a hit and was a great surprise for many parents. Thank you, ABV% Beverage for supplying these beverages!

The St. Joseph the Worker Award was presented to the the Autieri Family for demonstrating exceptional support to our school. Over many years, the Autieri family has gone above and beyond to help our school community thrive, and we are so very grateful! Thank you to all the members of the Autieri Family for your steadfast dedication to St. Mary Interparochial School!
Congratulations also to Jaden Clark-Cole, Class of 2018, who was named our Harding Alumni Award Winner for demonstrating excellence in service to the community. Jaden is a true example of our mission statement which calls us to shape “Christ-centered leaders of the 21st Century”.

Thank you to all of our sponsors, parent volunteers, donors, alumni, bakers, classroom captains, teachers, staff, students and Harvest Hoedown Committee for helping to make this the most successful Harvest Hoedown yet!

The Annual Giving Campaign is a yearly fundraising drive for the purpose of raising much-needed funds to benefit the students of St. Mary Interparochial School. These essential funds assist in providing:

- A top rated Academic Program
- Scholarship and Tuition Assistance for families in need
- Superior Art, Music and Cultural Enrichment Program
- Technology for the 21st Century
- Necessary building and physical plant maintenance

We are grateful for your generosity and we hope you will contribute once again along with our entire St. Mary School community. Your contribution will be used to benefit the students of St. Mary Interparochial School. Thank you in advance for your donation!

HOW CAN YOU HELP?
- Donate online at www.saint-marys.us, use the enclosed envelope or call 215-923-7522.
- Check with your Human Resources Department or Matching Gift Coordinator to see if your company will match your annual giving donation.
- Spread the word about our Annual Giving Appeal to others who, like you, believe in an excellent Catholic education for children of all religious, economic, and ethnic backgrounds.
