

St. Mary Home & School Board Mission Statement

Our Mission is to serve as a liaison between the families of Saint Mary's and the Administration. We use regular communication to encourage greater family participation in all aspects of life at Saint Mary Interparochial School. We sponsor events; we conduct fundraising activities; we provide an open forum for the free exchange of ideas between the families and the school administration; and, we encourage social gatherings amongst the entire Saint Mary Community. We are a non-profit organization and all revenue generated is reinvested in the school to benefit the children.
