WHERE DO THE INSTRUMENTS COME FROM?

Students are required to furnish their own musical instruments. For piano instruction, portable electronic keyboards should be brought to each class. You may take advantage of MUSIC ON THE MOVE's lease/purchase services; request literature on the form below. You also may find instruments for sale at local music stores or online from reputable providers. Recorders (a small flute-like instrument) and music stands may be purchased directly with your registration.

HOW CAN I PARTICIPATE?

Complete the form below and return it to the school or fax it to our administrative offices at (800) 398-4807. Music lessons are given during the *entire school year*.
