

#### AWARDS PRESENTATION AND CONTEST WINNERS

#### HARDING AWARD

This annual award is presented to a graduate of St. Mary Interparochial School who exemplifies excellence in service to the community.

#### Congratulations to MORGAN KANE, CLASS OF 2017

After her time at St. Mary, Morgan Kane attended Merion Mercy Academy where she continued to serve the community at large. Morgan is currently attending St. Joseph's University majoring in Special Education. Morgan was nominated by her brother Harry Kane, Class of 2020. Harry expressed his admiration for Morgan in these words...

"My sister Morgan has exemplified excellence in service to her community through tireless efforts to better the lives of others. Whether

that be through Alex's Lemonade Stand where she led the highest-funded non-corporate team for childhood cancer research or her work forming a service club at Merion Mercy Academy. Through her Heart Club, she led a highly successful coat drive collecting over 300 coats for the homeless or organizing "Weezy Day" which raised funds in support of a young girl battling leukemia. Since she left St. Mary's Morgan has done nothing but exemplify the call to serve others and "shine her St. Mary's light."

We couldn't agree more with Harry! Morgan truly exemplifies our mission and continues to be a passionate, confident, and Christ-centered leader of the 21st century. Congratulations, Morgan!

#### ST. JOSEPH THE WORKER AWARD

This annual award recognizes an individual, family, or organization, which has demostrated exceptional support to the students, faculty and staff of St. Mary Interparochial School.

#### Congratulations to GRIFFIN KELLY FAMILY

This year, we are pleased to announce the Griffin Kelly Family as the recipient of our St. Joseph the Worker Award. While their two children, Brighid and Frannie, were attending school at St. Mary, Regina and Fran were tremendous stewards of our school getting involved in

countless ways to help build a better school year after year. Even after their children moved on, Regina remained dedicated to financial health and strategic planning as a Board of Limited Jurisdiction member and Finance Committee Chair. It was with Regina's expertise and generosity of her time that our special school on Fifth and Locust will thrive for many years to come! Congratulations, Griffin Kelly Family!

"I wish I could slow it all down. While I love watching you grow, it's a bittersweet process. With every milestone your childhood becomes more distant and I know that these days that we have together are limited."
